A few miles out of beautiful Konstanz on Lake Constance, the small, dreamy town of Gottlieben is situated. Old timber-framed houses nestle into the magnificent landscape directly on the „Rhein“ of Lake Constance. The hotel Die Krone has received the reward to be amongst the „100 most beautiful gourmet hotels of Switzerland“ from Gault-Millau. It has lots of modern design which fits perfectly together with the walls which are 300 years old. Other highlights are the beautiful lounge and the little, cosy home-cinema.
